### **Mechanism to Select Legitimate Journals for Research Publications**

Research Council of Gampaha Wickramarachchi University of Indigenous Medicine at its 08<sup>th</sup> Meeting held on 20<sup>th</sup> April 2022 has recommended the following mechanism to select Legitimate Journals for Research Publications and it has been approved by the Senate at its 11<sup>th</sup> meeting held on 29<sup>th</sup> April 2022.

All the permanent academic staff and administrative staff members should follow the given instructions before the submission of research article/s to a research journal.

- Select the journal and communicate to the Librarian, GWUIM.
- Librarian should prepare the authentication certificate of the selected journal (whether it is not included under predatory journal / predatory publisher).
- That certificate will have to be sent to the Research Council for approval within 03 days of the submission.
- Particular authentication certificate should be tabled at the immediate Research Council meeting for approval.
- The author should be notified about the authentication certificate immediately after the meeting via email.
- While applying for any award etc. this certificate should be submitted along with the research publication.

A handwritten signature in blue ink, appearing to be 'K.P.P. Peiris'.
